

MEASURE YOUR WRIST

Do you want to size your Michel Herbelin watch?
We invite you to use this tool to tell us the best size for your wrist.

- 1 -

When printing this document, select "print in full size or 100%".

! *It is important not to check the "Scale Sheet" box !*

- 2 -

Once the ruler is printed, you can :

- a** Cut the tape measure
- b** Wrap it around your wrist and pick up the most suitable measurement
- c** If the measured measurement is between two sizes,
Michel Herbelin advises you to choose the largest

*Michel Herbelin cannot be held responsible for errors
that may occur due to the use of this tape measure !*
